bi-36

The refrigerator on our freestanding IG-36 keeps food and beverages chilled nearby until needed. The hand-crafted island is constructed of plantation-grown IPE Brazilian walnut - so dense it's resistant to warping, rot, insects and weather while the counters are polished Quebec granite. **There's nothing else like it** on the market. For a **finished, professional look for the outdoor cook**, install a permanent 30, 36 or 48" grill into your outdoor cooking area.
